### **PRIMARY ANNUAL REPORT 2018-19**

The Annual Report for the Academic year 2018-2019 for Primary is as follows.

Our journey began on June 2018 when the school reopened. The students of grade 3, 4 and 5 were guided through a rendezvous 'Back to School' activity, where their creative and innovative ideas were polished, serving as a welcome gesture for the young learners before they started their CBSE Curriculum in the month of July.

Meanwhile, after their rendezvous activity the students of grade 1 and 2 started their 'Head Start' Transition programme, which is designed to warm them up to phonetics.

The 'Super Saturday Club' activities named L.I.T.E were inaugurated in July, which consist of four clubs namely Literature, Innovation, Theatre and Ecology Club, curated to indulge the students to apply their academic knowledge in the social arena.

The month of August marked the start of the CBSE curriculum for grades 1 and 2, with grades 3, 4 and 5 taking their first exams of the year. The gala launch of 'The Grand Mathemasium' also took place.

The month of September saw the students take their YLEAD tests, while the other major event of the month being the first PTM of the year, which was conducted successfully with overwhelming cooperation from the parents.

In October, the students wrote their Olympiad exams and the Mid-Term exams, wrapping Semester 1 up with a field trip to Dakshin Chitra, which was not only entertaining and fun filled, but also informative and developmental for the students.

An interactive 'Open Day Session' was conducted in the month of November, which aimed at taking Parent-Teacher cooperation to the next level.

Cultural celebrations have always been the cherry on top of the cake among all our school activities, and this year was no exception, as we celebrated events and festivities like the Aadi Perukku, Independence Day, Dussehra, Children's Day, Diwali, Christmas, New Year and most recently Pongal, with great pomp.

### **HIGH SCHOOL ANNUAL REPORT 2018-19**

The school was reopened on June 2018 of this academic year 2018-19. From 7<sup>th</sup> June to 30<sup>th</sup> June we conducted bridge course for all the students of Grade VI-VIII who have joined us from different boards to feed the basics of CBSE Curriculum.

In the month of July, Pre Mid-Term examination was conducted followed by Parent-Teacher Meet.

As a part of our Co-curricular activities, Smart Living Programme was conducted. “Green India Mission – 2018” was the topic for the months of June and July. We went on a rally near S. Kolathur to create awareness among Public.

In the month of August, we had arranged “Investiture Ceremony” to elect the student council members, our Head Boy, Head Girl, Deputy Heads and House Captains for all our houses Spartans, Vikings, Knights and Samurais.

We had celebrated 72<sup>nd</sup> Independence Day with unfurling the national flag and followed by cultural.

In the month of September, we began with Teacher’s day celebration and we organized field trip to VGP Universal Kingdom to freshen up our young minds.

Science and Math expo was also conducted inviting Mrs, Vijayashree, Principal of Kumararani Meena Muthiah College of Arts and Science.

Our young scientists explored themselves and developed many working models and projects for the display.

Next is our “Young Wordsmith’s Day Celebration”. Students of grade 6 to 8 were asked to write a short story or Novel and followed by that 90 students came up with wonderful books, which elevated them as young Wordsmith’s of Sri Chaitanya Techno School. Top ten books were selected and they were encouraged with certificates and medals which were published in the local Newspaper.

Mid-term exam was conducted covering 50% syllabus and parent teacher meet was also held during the month of October.

For the month of November, we had conducted Olympiad exams like ETSO, MTSO, STSO, GTSO, ATSO and NSO.

Smart Living Programme for the Month of November was on the topic “Safe India” and we arranged for a Rally near Keelkattalai Signal in Collaboration with the Traffic police.

Self Esteem is connected to the confidence and motivation that children need to achieve their academic goal. Our aim is to preserve these traits in our children. We will continue to provide a safe and supportive environment as well as teaching and learning programme to meet the needs of our students.
